**Subject:** RE: Meeting with EPA to discuss upcoming MS4 Permit

Hi Mark,

Thanks for reaching out. We would love to get together and discuss the permit and our program. I think the afternoon of May 17<sup>th</sup> would work the best for us. Please send more details on the specific time and location. Looking forward to it!

Annie Bastoni

**Subject:** Meeting with EPA to discuss upcoming MS4 Permit

Hi Annie and Henry:

I hope you are both doing well. I am following up on a recent conversation that I had with Theresa concerning the RIDOT CD process and some of the reduction crediting methodologies that I understand MassDOT is also considering for its program. EPA's MS4 permitting team, Newt, Suzanne and myself, are in the process of developing the draft MS4 permit for MassDOT and we would like to schedule a meeting with you to discuss the permit and also for us at EPA to learn more of MassDOT's ongoing program. We think such information could be very helpful for developing the permit.

Newt and Suzanne are our primary MS4 permit leads but given my involvement with RIDOT I offered to arrange this first meeting.

If you are agreeable to meet, I would like to suggest the following dates as possibilities.

5/16 pm

5/17 pm

5/18 pm

Please let me your availability to meet. Thanks again and we look forward to talking soon.

Regards

Mark
